

SBDC ITC Workshop – Export Compliance 201

Reduce risk, cut costs and increase your profits

Presented by: Allocca Enterprises

Session Description:

This program will help your company be in full compliance with a whole host of U.S. export/import regulations. Review how you can eliminate dangers & liability of undervaluing products on the commercial invoice and EEI at foreign customer's request. Learn the correct way to handle valuations on drop shipments, samples, warranties, repairs and replacements for Customs purposes. Finally, review the Foreign Corrupt Practices Act (FCPA) as well as the Successor Liability and how these affect you.

Tuesday, July 25, 2017
